TALK IT OVER

- Why do you think being a disciple and making disciples involves committing yourself to a local church?
- Are your problems really just your problems when you are part of the church? Explain.
- For the sake of the church body, how could we tangibly let go of any division and embrace unity with others?

WORK IT OUT

- Would you say that you are doing your part in the body of Christ? Explain. What part could you play in this small group? See pg. 14.
- Identify if the following are found in your small group: Dream Releaser, Soul Sharpener, Cheerleader, Life Coach, Prayer Warrior.
- Close your eyes. Dream for a moment of a group of people who demonstrates love, unity and hope in such a way that the unbelieving world is compelled to find out what’s going on. What did you see? What can we do?

CLOSING

*Father God, Thank you for giving us the church to help us make disciples for You. Encourage us to transform hearts and change lives through the power of the Holy Spirit, your word and prayer. Please fill us with your love for others as we demonstrate our devotion to you.
— In Jesus' Name, Amen*
