

NOW IS THE TIME

Quarterly Update

From the Desk of Pastor Jon:

A while back, I read a stat that instantly grabbed my attention:

Six out of every ten believers began their relationship with Jesus between the ages of four and fourteen.

For many of you, that's your story. It's mine, too. Which means the progress we are making in our Now is the Time campaign, starting with our Northwoods Kids area, is about more than new flooring, fresh paint, and updated signage. We are investing in a safe and secure space for the next generation to begin a relationship with Jesus, one that will forever change the trajectory of their lives. This is what it's all about!

I'm excited to announce that because of your generosity, we are nearing completion of the upstairs portion of Northwoods Kids! We are now entering month 8 of our 25-month campaign, and in this quarterly update, you can read all about the real progress we are making together.

Many of you have already begun giving toward your pledges; some have even completed them, and your heart for this project inspires me. I'm so grateful! If you've taken a wait-and-see approach or are just hearing about this and haven't yet made a pledge, I want to personally invite you to join us. We are \$1.3 million in commitments short of our \$15 million goal, and we need your help. Every gift moves us one step closer to the future we're building together. You can give online at northwoods.church/give.

As we continue to build in the days ahead, let's remember that while we are working on a building, it's ultimately all about people encountering Jesus, and it starts with the youngest among us.

Happy Summer to you and yours,

Jon Rychener
Northwoods Community Church

... I tell you, now is the time of God's favor, now is the day of salvation.
