

NOW IS THE TIME

Quarterly Update

From the Desk of Pastor Jon:

Just a few weeks ago, I was walking around the outside of our building with a friend. Near our auditorium doors, he stopped to look at the stones that mark the milestone moments of our 36-year history. Stones etched with things like: 1998 Additional 15 Acres Purchased and 2005 Opened Discoveryland and the Atrium.

He looked them over and said, "It's crazy to think that I was an atheist when this place was being built, but God's used it to change my life. Somewhere out there are people just like I was back then. How cool is it to know that someday they too will be impacted by what we're doing now."

That's what this campaign is all about. Not walls, paint, or flooring. It's about stewarding the space we will continue to use to reach our neighbors and minister to our congregation.

We're heading into fall now, which means we're just a couple of months away from hitting the one-year mark of this twenty-five-month campaign. As of this writing, here's where we stand on our journey to \$15 million:

\$13.8 million has currently been committed, and several projects have been completed, including the new HVAC units, a new roof, and the renovation of Northwoods Kids. We're so excited that we don't have to wait until the end of the campaign to see results; the transformed children's ministry spaces are already in use by the next generation that we desire to raise up.

Next up, we're beginning work on the Atrium, the space where our congregation gathers and our neighbors are welcomed. Our desire is that this redesign will not only help us show hospitality to newcomers but will spark the vital conversations and connections that can strengthen our church family.

Thank you again for being a part of what God is doing in our midst. Now is the Time!
